As a multidisciplinary designer and seasoned professional with over 10 years experience, I have worked in stringent, high volume in-house production environments delivering design solutions that create clarity and guide people through the complex and confusing health care landscape.

I went to work

Current

Freelance Open for work

2023

Bohan Ideas Contract

UX Design Lead

Contracted as UX Design Lead with Bohan ideas, I collaborated closely with cross-functional teams to align design solutions with business goals and user needs, driving innovative projects from concept to completion. My role involved user research, wireframing, prototyping, and usability testing to deliver impactful digital experiences.

Awards

2023 WebAward
Best Insurance Website

Received an award for the
Health Equity Website.

Successes

Health Equity, Diversity &
Inclusion Microsite

2021

BlueCross BlueShield of Tennessee Chattanooga, TN.

Art Director

As Art Director, I led process improvements and established guidelines for Commercial/Enterprise communications. Redesigned the mobile app and revamped email outreach communications, enhancing user engagement and brand consistency. Expanded digital capabilities by collaborating with digital product teams to develop a comprehensive design system, advancing BCBST's digital transformation. Additionally, as part of the COVID SWAT team, played a key role in creating strategic communications to spread critical information during the pandemic.

Awards

Pinnacle Award for
Excellence and Agility

Earned recognition for efforts
supporting the COVID SWAT
group with senior leaders

Successes

Mobile App Redesign
Enterprise Rebrand
COVID SWAT Team
Email Outreach Redesign

2017

BlueCross BlueShield of Tennessee Chattanooga, TN.

Designer

As a Designer, I updated and applied brand guidelines across various mediums, including print materials, outdoor signage, advertising, and logo/identity creation. Focused on managing, updating brand guidelines throughout Commercial / Enterprise communications and contributing creatively to the internal team.
